

**Matrix of Statewide Programs by School Readiness Goals**

INDICATORS	PROGRAMS	DESCRIPTION	NUMBER AND POPULATION SERVED	STATUS
<b>Family Goal: Children live in safe and stable families that support learning.</b>				
<b>Objective 1: Mothers receive adequate prenatal care.</b>				
% of pregnant women who receive adequate prenatal care	Maternal and Infant Program (KDHE)	prenatal care and follow up to age 1	12,778 pregnant women and infants	active
% of pregnant women who receive prenatal care beginning in the first trimester of pregnancy	Healthy Start Home Visitor (KDHE)	outreach and support visits	15,937 families	active
	Early Head Start (federal) Kansas Early Head Start (SRS/CCDF)	child development	357 children (federal) 825 children (CCDF) 1,282 children (total)	active
<b>Objective 2: Mothers are high school graduates.</b>				
% of infants born to mothers with at least a high school degree	Even Start (KSDE)	family literacy	1,128 children; 798 families	active
	Migrant Even Start (KSDE)	family literacy	1,450 children; 816 families	active
<b>Objective 3: Children live in homes free of violence.</b>				
Number per 1000 of substantiated child victims of abuse and/or neglect, ages birth-17	Family Preservation Services (SRS)	family services		active
	Foster Care Services (SRS)	child care and placement		active
Number of children places in out-of-home care	Parents as Teachers (KSDE)	parent education	17,000 children; 15,259 families	active
	Healthy Families	family services		active
	Early Head Start (federal) Kansas Early Head Start (SRS/CCDF)	child development	357 children (federal) 825 children (CCDF) 1,282 children (total)	active
	Infants & Toddlers with Disabilities (Part C) (KDHE)	child development, parent education, early intervention	5,261 children birth through age 3	active
	Infants & Toddlers with Disabilities (Part C) (KDHE)	child development, parent education, early intervention	5,261 children birth through age 3	active
<b>Objective 4: Children live in families that can afford basic necessities.</b>				
%of children receiving free and reduced school lunch	W.I.C. (KDHE)	nutrition assessment and education; food vouchers	19,235 pregnant women; 4,950 breastfeeding women; 8,345 delivered women; 32,793 infants; 42,869 children	active
	Food Stamp Program (SRS)	nutrition assistance	63,096 families	active
	Child Care Assistance (SRS)	child care services		active

	Child and Adult Food Program (KSHE)	reimbursement for meals and snacks in child care centers	56,759 children	active
	Summer Food Service Program	reimbursement for meals and snacks during summer		active
	Four-Year-Old At-Risk (KSDE)	meal provided	4,398 children	active
<b>Objective 5: Children receive health care services.</b>				
% of kindergartners with up-to-date immunizations at age 2	Smart Start Kansas (SRS)	funds community partnerships for local needs of children	10,136	active
	Immunization Program (KDHE)	vaccines for infants and children		active
	Medicaid/Health Wave (SRS)	medical services for eligible citizens; health insurance for uninsured children	145,756 (Medicaid) 32,540 children (Health Wave)	active
	Children with Special Health Care Needs (KDHE)	services and equipment for children with chronic diseases or disabilities	3,569 children	active
	Maternal and Infant Program (KDHE)	prenatal care and follow up to age 1	12,778 pregnant women and infants	active
	Child Health Program (KDHE)	access to preventative and primary care services	23,553 children	active
	Head Start	child development	7,350 children	active
	Early Head Start (federal) Kansas Early Head Start (SRS/CCDF)	child development	357 children (federal) 825 children (CCDF) 1,282 children (total)	active
<b>Community Goal: Children live in safe and stable communities that support learning, health, and family services.</b>				
<b>Objective 6: Early childhood programs are high quality.</b>				
% of teachers with a CDA, teacher license, or degree in early childhood	Smart Start Kansas (SRS)	funds community partnerships for local needs of children	10,136 children	active
Annual turnover rate of center staff	Infant/Toddler Specialist Program (SRS)	training and technical assistance and consultation for child care providers	16 resource and referral agencies	active
% of programs rated as high quality	Accreditation Support Projects (SRS)	promotes accreditation for child care services	3,758 children	active
% of child care facilities that meet or				

exceed licensing standards  % of child care programs that have achieved a KQRS rating of three or higher	Greater Kansas City Accreditation Project (Foundations/Grants)	promotes accreditation for child care service	257 children; 100 centers; 40 Child care home providers	active
	Apprenticeship Project (SRS)	trains child care providers	5,000 children; 150 teachers	active
	T.E.A.C.H. (SRS)	Teacher education and compensation for early childhood care and education professionals earning CDAs and credentials	2528 children; 200 teachers	active
	Fern Webster Scholarship		100 scholarships	active
	Core Competency Training (SRS)	trains child care providers		active
	WAGE\$ (Kauffman Foundation)	child care wage supplements	6,160 children	active
	Unified Early Licensure (including ECHO and EQUIP)	teacher licensure for early childhood education	all children, birth through grade 3; teachers	active
	Four-Year-Old At-Risk (KSDE)	preschool education for children from disadvantaged families	4,398 children	active
	Parents as Teachers (KSDE)	parent education	17,000 children; 15,259 families	active
	Even Start	family literacy	1,128 children; 798 families	active
	Migrant Even Start (KSDE)	family literacy	1,450 children; 816 families	active
	Head Start	child development	7,350 children	active
	Early Head Start (federal) Kansas Early Head Start (SRS/CCDF)	child development	357 children (federal) 825 children (CCDF) 1,282 children (total)	active
	Infants & Toddlers with Disabilities (Part C) (KDHE)	early intervention services	5,261 children birth through age 3	active
	Early Childhood Special Education Preschools (Part B) (KSDE)	special education	9,300 children	active
Foster Grandparent Program	partners seniors with special needs children	2,460 children ages birth through five	active	

	Continuing Education Units (CEUs) Service	approves and grants CEUs		active
	Kansas Quality Rating System (KQRS)	rates child care programs by quality of care		active
	Registry Service	registers credentialed child care providers		
	Child Care Providers Coalition of Kansas, Inc.	uniting family child care providers		active
<b>Objective 7: Early childhood programs are available.</b>				
Index of # of facilities computed from KDHE data				gap
<b>Objective 8: Early childhood programs are affordable.</b>				
% of median monthly income used for infant/toddler care	Smart Start Kansas (SRS)	funds community partnerships for local needs of children	10,136 children	active
% of median monthly income used for preschool-age child care	Early Head Start (federal) Kansas Early Head Start (SRS/CCDF)	pays child care costs for enrolled children	357 children (federal) 825 children (CCDF) 1,282 children (total)	active
	Parents as Teachers (KSDE)	parent education	17,000 children; 15,529 parents	active
	Four-Year-Old At-Risk (KSDE)	preschool education for children from disadvantaged families	4,398 children	active
	Child Care Assistance (SRS)			active
	<i>SEE ABOVE – all programs listed above provide services to children at no cost to families who meet criteria, families may pay a share of the cost depending upon their income level</i>			
<b>Objective 9: Children live in safe and stable communities.</b>				
rate per 1000 population of crimes against property	Foster Grandparent Program	partners seniors with special needs children	2,460 children ages birth through five	active
rate per 1000 population of crimes against persons	Child Care Licensing (KDHE/SRS)	licensing of child care, preschools and child placement agencies	130,933 children	active

<b>School Goal: Children attend schools that support learning.</b>				
<b>Objective 10: Schools provide high quality learning environments.</b>				
Average teacher/child ratio in K classrooms				gap
Average nurse/student ratio per school district				
% of schools that provide all-day, every day kindergarten				
<b>Objective 11: Teachers provide high quality classroom learning environments.</b>				
% of K teachers with early childhood licensure or endorsement	Early Childhood Unified Licensure	teacher licensure for early childhood education	4,398 children	active
% of K classrooms rated as high quality				
<b>Objective 12: Schools have strong relationships with families and communities.</b>				
% of schools with formal transition plans between early childhood settings and kindergarten	Early Childhood Special Education (Part B) (KSDE)	special education services	9,300children	active
	Head Start	child development	7,350 children	active
% of school districts permitting after hours use of school buildings for community functions				
<b>Child Goal: Children are prepared to succeed in school.</b>				
<b>Objective 13: Children are physically healthy.</b>				
% of kindergarteners with up-to-date immunizations at age 2	Sound Beginnings (KDHE)	universal newborn hearing screening	all Kansas newborns (estimated 40,000 per year)	active
	Newborn Screening (KDHE)	universal metabolic screening	all Kansas newborns (estimated 40,000 per year)	active
% of kindergarteners who are above appropriate BMI for age	Healthy Start (KDHE)	education and support for pregnant women and infants	15,937 mothers	active
% of kindergarteners who receive services as a result of hearing screening	Early Head Start (federal) Kansas Early Head Start (SRS/CCDF) Early Head Start (SRS)	child development child development	357 children (federal) 825 children (CCDF) 1,282 children (total)1282 children	active
% of kindergarteners who receive services as a result of vision screening	Head Start (SRS)	child development	7,350 children	active

	Infants & Toddlers with Disabilities (Part C) (KDHE)	early intervention; special education services	5,261 children birth-age 3 through age 3	active
	Food Stamps (SRS)	nutrition assistance	63,096 families	active
	W.I.C. (KDHE)	nutrition assessment and education, food vouchers	19,235 pregnant women; , 4,950 breastfeeding women; , 8,345 delivered women; , 32,739 infants; , 42,869 children	active
	Medicaid/HealthWave (SRS)	medical services for eligible citizens; health insurance for uninsured children	145,756 (Medicaid); 32,540 children (HealthWave)	
	Child and Adult Care Food Program (KSDE)	reimbursement for meals and snacks served in child careCchild care centers and homes	56,759 children	active
	Summer Food Service Program	reimbursement for meals and snacks during summer		active
	Four-Year-Old At-Risk (KSDE)	preschool education for children from disadvantaged families	4,398 children	active
	Parents as Teachers (KSDE)	parent education	17,000 children; 15,529 parents	active
	Even Start (KSDE)	family literacy	1,128 children; 798 families	active
	Migrant Even Start (KSDE)	family literacy	1,450 children; 816 families	active
<b>Objective 14: Children demonstrate motor development appropriate to age and ability.</b>				
% of kindergarteners who demonstrate fine motor skills appropriate to age and ability	Head Start (SRS)	child development	7,350 children	active
	Early Head Start (federal) Kansas Early Head Start (SRS/CCDF)	child development	357 children (federal) 825 children (CCDF) 1,282 children (total)	active
% of kindergarteners who demonstrate gross motor skills appropriate to age and ability	Infants & Toddlers with Disabilities (Part C) (KDHE)	special education services; early intervention services	5,261 children ages birth through three	active
	Early Childhood Special Education Preschools (Part B) (KSDE)	special education	9,300 children	active

	Four-Year-Old At-Risk (KSDE)	preschool education for children from disadvantaged families	4,398 children	active
	Parents as Teachers (KSDE)	parent education	17,000 children; 15,529 parents	active
	Even Start (KSDE)	family literacy	1,128 children; 798 families	active
	Migrant Even Start (KSDE)	family literacy	1,450 children; 816 families	active
	Foster Grandparent Program	partners seniors with special needs children	2,460 children ages birth through five	active
<b>Objective 15: Children have the social/emotional competencies to succeed in school.</b>				
% of kindergarteners who appropriately control their impulses, use words to resolve conflict, function in group activities, and establish and maintain relationships with peers and adults	SED Waiver (SRS)	mental health services	98 children under age five	active
	<i>Please see the nine programs (Head Start, Early Head Start, Infants &amp; Toddlers with Disabilities (Part C), Early Childhood Special Education Preschools (Part B), Four-Year-Old At Risk, Parents as Teachers, Even Start, Migrant Even Start, and the Foster Grandparent Program) listed under Objective 14 for information on programs that address this objective.</i>			
<b>Objective 16: Children have the communication and literacy skills to succeed in school.</b>				
% of kindergarteners who are able to communicate ideas, interests and understandings, demonstrate phonemic awareness, retell a story that is read or told to them, and use age appropriate/developmentally appropriate "writing" to communicate ideas	<i>Please see the nine programs (Head Start, Early Head Start, Infants &amp; Toddlers with Disabilities (Part C), Early Childhood Special Education Preschools (Part B), Four-Year-Old At Risk, Parents as Teachers, Even Start, Migrant Even Start, and the Foster Grandparent Program) listed under Objective 14 for information on programs that address this objective.</i>			
<b>Objective 17: Children are eager to participate in the learning process.</b>				
% of kindergarteners who solve problems appropriately, show persistence in completing a task, tasks with inventiveness and flexibility, and alert and participate in classroom activities	<i>Please see the nine programs (Head Start, Early Head Start, Infants &amp; Toddlers with Disabilities (Part C), Early Childhood Special Education Preschools (Part B), Four-Year-Old At Risk, Parents as Teachers, Even Start, Migrant Even Start, and the Foster Grandparent Program) listed under Objective 14 for information on programs that address this objective.</i>
